

KAREN E. MORGAN

BETHESDA, MD

Ms. Morgan joined the utility finance group in 1994. Ms. Morgan is primarily involved with the development of expert testimony on cost of capital and related issues. Ms. Morgan has also worked on the development of corporate models used in long-term planning by electric utilities. In addition to her work with utilities, Ms. Morgan has worked on various projects for the U.S. Postal Service including the measurement and analysis of the efficiency of mail processing facilities and the calculation of product costs for postal rate design. Ms. Morgan holds an M.A. (Economics) from the University of Western Ontario and is a Chartered Financial Analyst.
